

TOWN & COUNTRY
Compounding Pharmacy
We compound quality

Doctors Trust

Town & Country Compounding Pharmacy

for high-quality compounded
medicine that makes patients better.

Our accreditations place us in the
top 1% of compounding pharmacies.

Rigorous protocols lead to excellent patient outcomes.

It's essential that you know where – and how –
your compounded medicines are made.

PCAB & ACHC Accreditation

The **PCAB designation** demonstrates our continuous commitment to meet and exceed official regulatory requirements and standards, resulting in the highest quality of compounded medicine.

Town & Country Compounding's policies, processes, product testing protocols, and chemicals sourced from FDA inspected facilities, exceed industry standards.

These high standards, along with our recent investment into building a new high-tech, state-of-the-art compounding facility demonstrates our commitment to making the **highest quality compounded medicine that makes patients better.**

Pharmacy PCAB Accreditation

- Non-sterile compounding USP <795>
